Regional Manager of Taco bell  
Taco Bell  
32002 Alvarado Blvd,  
Union City, CA 94587

Dear Ms. Gracia:

I am applying for the assistant manager position for Alvarado Blvd Taco Bell that was been advertising around the stores. I am certain that the skills, abilities and work experience I have acquired, make me an excellent choice for this position.

I have been working for taco bell as a service champion and also food champion at the same time for almost a year. From time to time, I had been placed in charge of the store. I am able to communicate well with my co-workers and also provide excellent service (based on online rating) for our customers. I also have experience as a manager at Super Company. While I was working at Super Company, I have experiences with interacting with different departments, ensuring quality of products, timely delivery of orders and accuracy of the inventory. I am responsible, trustworthy and a diligent worker. I feel that these skills and experiences that I have gained while working for super company would be a valuable asset to Taco Bell's assistant manager.

If you would like to set up a personal interview, I am reachable at **(510)-320-9397** any time or at ***thetpaingzaw.tpz48@gmail.com***. Please contact me if you have any questions.

Thank you for your time and consideration!

Sincerely,

Thet Paing Zaw
